Sl. No.	Minimum Eligibility Criteria for pre-qualification
(A)	Applicant Structural Engineer must be registered with NMMC.
(B)	Applicant can be an individual or a proprietorship firm/ partnership firm, with registration with NMMC as Structural Engineer.
(C)	Average Annual financial turnover during the last 3 years, ending 31st Mar'17, should be at least Rs. 5 lacs.
(D)	Experience of having successfully completed similar works during last 5 years ended Mar'17 should be either of the following: a) Three similar completed works costing not less than the

	amount of Rs. 2.00 lacs (fees) each or b) Two similar completed works costing not less than the amount of Rs. 2.50 lacs (fees) each or c) One similar completed work costing not less than the amount of Rs. 4.00 lacs (fees). *Similar work means preparing BoQ/ estimate/ detailed drawings for repairing/waterproofing on the basis of their observations/inspections etc.
(E)	Structural Engineer should be having office/office cum residence/ address at Navi Mumbai/ Mumbai/Mumbai sub-urban
(F)	The applicant should not have been banned in any Government Department/ Public Sector undertaking during last three years. If the ban was temporary nature, ban period should not be continued.
(G)	The applicant must be having PAN number.

4. Scope of Work : Scope of the work broadly include following:

- i. Inspect, diagnose and identify the repairs/ damages/ defects/ cracks/ source of leakage/ seepage in the building with respect to structural distress, non-structural deterioration/ damages, other major repairs like plastering, waterproofing etc. as required for the building.
- ii. To prepare detailed drawings, flat wise/area wise & building wise, and BoQ, with all the necessary details including material specifications, quality, quantity etc.
- iii. Prescribing method/s for using/applying material.
- iv. Preparation of sub-head wise, item wise detailed estimates, based on current market rate analysis, for all major items of materials and labour, taking into consideration site condition, height of building, scaffolding required for execution of work etc.
- v. The work may also involve identifying various plumbing / civil defects or damages etc. besides painting, plastering, waterproofing including necessary repairs to electrical installations and other work, for the said building as per the site conditions.
- vi. The structural engineer may suggest one or more method/materials for waterproofing / repairing, with estimated cost and durability period.
- vii. While assessing repairing / waterproof requirement, it will be responsibility of the Structural Engineer to inspect and carry out test/s wherever required (on random or otherwise) or otherwise, as per his observations regarding position or building.

- viii) Before submitting the application, alongwith price bid, Structural Engineer may visit the buildings for inspection/observation purpose. However, this visit will be at his cost, risk & responsibility only.
- ix. Structural Engineer to certify/ quantify the work, completed on the basis of BoQ/ Estimates.

5. Criteria for Acceptance of Proposals and Procedure for Evaluation

- a) The Structural Engineers shall submit their offers in sealed covers, duly completed alongwith its enclosures/ supporting papers.
- b) The bids will be examined by the Bank to determine whether they are complete, as per eligibility criteria and terms of offer documents. A bid determined as not substantially responsive will be rejected. The Bank may, at its discretion waive any minor non-conformity or irregularity in a bid which does not constitute a material deviation.
- c) After opening of the technical bids and preliminary examinations, some or all of the bidders may be asked to make presentation of the solution/services offered by them.

5.1 Evaluation process:

Detailed technical evaluation will include, scrutiny of minimum eligibility criteria, technical information submitted as per technical bid format (Annexure H), supporting documents/ papers submitted and site visits.

- i. Proposal shall be evaluated based on the scoring of marks against various criteria, including undernoted:
 - a. Availability of in-house infrastructure along-with assistant/s, structural engineers and other testing facilities.
 - b. Methodology offered
 - c. Technical feasibility, durability, serviceability, maintenance cost, eco-friendly aspects and product life cycle cost
 - d. Time period for preparation of plan, item rate detailed estimate.
- ii. Apart from fulfilling the PQ criteria (minimum eligibility criteria), applicant should score minimum 70% marks in overall scoring parameters, in order to become eligible for empanelment. However, minimum scoring criteria and minimum eligibility criteria may be relaxed, if adequate numbers of eligible applicants are not qualifies. However, no relaxation will be done on prequalification (minimum eligibility criteria) pertaining to registration of SE with NMMC.
- iii. Proposal/s, meeting the eligibility criteria & having complied with the points of Technical Bids and attain minimum technical score, shall be qualified for empanelment.
- iv. Structural Engineer has to quote rates per square foot of built-up area, in a sealed envelope.

6. General Terms & Conditions:

- a) The Structural Engineer (SE) shall carry out the work mentioned above under 'Structural Engineer's Services" in full or part, as assigned by the bank, according to requirement & decision of the bank, in one go or in parts.
- b) The Structural Engineer shall exercise all reasonable skills, care and diligence and conduct all tests wherever required, while carrying out assigned work hereby covenanted to be performed by them.
- c) The Structural Engineer shall take the responsibility themselves. Bank shall be authorized to write to the SE, if they find any discrepancy in the submissions including drawings, BOQ, estimates.
- d) For preparing the BOQ, Drawings, the Structural Engineer shall visit & inspect/examine the site, collect all the relevant information/data, take site particulars, prevailing prices for the repairing materials and labour wages etc.
- e) While assessing the requirement of repairing, cost verses benefit to be kept into account, in terms of safety of structure and expected increase in life of the building.
- f) While choosing/proposing methodology & material, modern available options to be examined, ascertaining its reliability & success.
- g) The Structural Engineer shall pay an amount limited to 10% of the total payable fees for covering damages for losses caused to the Bank or delay on their part in carrying out the terms of this RFP or penalty of similar amount may be imposed. The decision of the Bank, will be final and binding on the Structural Engineer.
- h) Extra charges/ halting allowance/ conveyance allowance or any such allowance will not be paid, regarding visit of Structural Engineer or its representative at the site or office/s of SBI, before submission of offer/ application or at later stage.
- i) Whenever the work is examined by the Chief Technical Examiner of the Central Vigilance Commission or his representative, Structural Engineer will have to extend necessary assistance & help, including providing requisite details / papers.
- j) The Structural Engineer shall provide to the Bank free of cost two copies of 1:100 (one hundredth) scale drawings, showing specific parts/details of damaged portion or requiring repairing. He shall, if so required by the Bank, supply extra copies of all such drawings and the cost of such extra copies shall be reimbursed by the Bank to reasonable extent, subject to production of satisfactory evidence of cost. In addition to this, the SE shall provide soft copies of drawings in pen drive or CD/DVD.
- k) This arrangement shall cease to exist if either bank or applicant Structural Engineer express their intention to this effect, in writing. However, applicant will have the responsibility of completion of assigned work. Further, terms & conditions of this document shall continue to be binding on the SE and he shall remain liable & responsible for the services tendered by him, including submissions made by him.

l) If the SE fail to adhere to the time schedule stipulated or the extended time which may be granted by the Bank in his sole discretion, the Bank shall be entitled to delist the SE without giving notice and entrust the work to some other SE, after withdrawing from delinquent SE .

m) In case of termination of arrangements as mentioned above, the SE shall not be entitled to fees or compensation except the fees payable to them for the work actually done and as per the provisions in this document. In such cases, the decision of the Bank regarding extent and actual completion work, including the amount of fees due to the SE on the basis of actual work, shall be final and binding on the SE.

n) The Structural Engineer shall not assign, sublet or transfer their interest regarding arrangements made through this officer document, without the prior written consent of the Bank.

p) Arbitration:

(i) If any dispute, difference, or question shall at any time arise between the SE and the Bank as to the interpretation of this agreement or concerning anything herein contained or arising out of this agreement or as to the rights, liabilities and duties of the said parties hereunder, or as to the execution of the said works, except in respect of the matters for which it is provided herein, that the decision of the Bank is final and binding, the same shall be referred to the Arbitration and final decision of the Navi Mumbai /Mumbai based arbitrator to be agreed upon and appointed by both the parties or in case of disagreement as to the appointment of a single arbitrator, to be appointment of two arbitrators shall, before taking upon themselves the burden of reference, appoint and umpire.

(II)(i) For the purpose of appointing the Navi Mumbai/ Mumbai based sole Arbitrator referred to above, the Appointing Authority i.e. the CGM of the Bank or on his behalf the D.G.M. (F&OA), of this Office will send within thirty days of receipt by him/her of the written notice aforesaid to the SE a panel of three names of persons who shall be presently unconnected with the organization, for which the works executed.

(ii) The SE shall on receipt by them of the names of aforesaid, select any one of the persons named to be appointed as a sole Arbitrator and communicate his name to the Appointing Authority who shall thereupon without any delay appoint the said person as the sole Arbitrator. If the SE fail to communicate such selective as provided above within the period Specified, the Appointing Authority shall make the selection and appoint the selected person as the sole Arbitrator.

(iii) If the Appointing Authority fails to send to the SE the panel of three names as aforesaid within the period specified, the SE shall send to the Appointing Authority a panel of three names of Mumbai/Navi Mumbai based persons who shall all be unconnected with either party. The Appointing Authority shall on receipt of the names of the aforesaid persons appoint one as the sole Arbitrator within 30 days of receipt by him of the panel and inform the SE accordingly. If the Appointing Authority fails to do so, the SE shall be entitled to appoint one of the

three persons from the panel as the sole Arbitrator and communicate his name to the Appointing Authority.

(iv) If the Arbitrator so appointed is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever another sole Arbitrator shall be appointed as aforesaid.

(v) The work awarded shall, however, continue during the arbitration proceedings. No payment due or payable to the SE shall be with-held on account of such proceedings except the disputed payment of fees on account of other provisions in this agreement.

(vi) The Arbitrator shall be deemed to have entered on the reference on the date he issues notice to both the parties fixing the date of the first hearing.

(vii) The Arbitrator may from time to time, with the consent of the parties, enlarge the time for making and publishing the award.

(viii) The Arbitrator shall give a separate award in respect of each dispute or difference referred to him. The Arbitrator shall decide each dispute in accordance with the terms of the RFP and give a reasoned award. The venue of Arbitration shall be such place as may be fixed by the Arbitrator in his sole discretion.

(ix) The fees, if any, of the Arbitrator shall, if required to be paid before the award is made and published, be paid 50:50 basis by each of the parties. The costs of the reference and of the award including the fees, if any of the Arbitrator, who may direct to and by whom and in what manner, such costs or any part hereof shall be paid, may fix or settle the amount of costs to be paid.

To:

Asst. General Manager (Estate),
State Bank of India,
State Bank Global IT Centre, Ground floor,
Sector 11, CBD Belapur, Navi Mumbai 400 614

Dear Sir,

Ref: RFP No: GITC/ CGM-OPS/EST/ **dated / /2017**

I/We have read, understood & examined the offer, alongwith terms & conditions/ other details/formats, the receipt of which is hereby duly acknowledged, including subsequent pre-bid clarifications/ modifications / revisions, if any, furnished by the Bank and we submit our application for rendering our services. The undersigned is authorized to sign the documents/papers, on behalf of the bidding firm and the document delegating this authority is enclosed with this letter.

2. We certify that we have not made any change in the contents of the offer document, including its amendments/clarifications provided by the Bank submitted by us. We shall abide by the terms & conditions spelt out in the bank's notice/offer.

3. It is further certified that the contents of our proposal are factually correct. We also accept that in the event of any information/ data / particulars proving to be incorrect, the Bank will have the right to disqualify us from the bidding or for awarding work.

4. I/We also understand if any false information is detected at a later stage, including in any future contract made between ourselves and State Bank of India, Estate Department, GITC on the basis of the information given by me/us will be treated as invalid by the State Bank of India.

5. We confirm that we have not induced or attempted to induce any other Bidder to submit or not to submit a proposal for restricting competition. Also, we undertake that we will not resort to canvassing with any official of the Bank, connected directly or indirectly with the empanelment process to derive any undue advantage. We also understand that any violation in this regard, will result in disqualification of applicant from further bidding process.

6. We undertake that we will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the Bank, connected directly or indirectly with the bidding process, or to any person,
